WOWZA FRIENDS!

What a Summer Reading Program!
We celebrated "A Universe of Stories" with 240 registered readers!

We owe a big thanks to the Friends of the Mary E. Bartlett Memorial Library and an anonymous donor for sponsoring all of our events, supplies, and prizes for summer 2019!

Check out our social media and website for pictures of our summer events and more statistics like approximately how many total hours were read, and how many readers completed their reading challenges.

Remember, just because the Summer Program Series is over doesn't mean the fun is over at the library! See the second page of the August newsletter for more events.

Thanks!
Heather

NEXT STORY TIME SESSION

### COOKBOOK BOOK CLUB
**MON. 8/12 @ 7PM**
A book club for book lovers and foodies! The challenge is to find a recipe based on a theme, make it, and bring it in to share with the group. While we’re trying everyone’s recipes we’ll chat about the process, flavors, and cookbooks. This month’s theme is “home style recipes.” Interpret this how you will. Please register!

### MUSEUM OF SCIENCE: SCIENCE MAGIC PRESENTATION
**TUES. 8/13 @ 10:30AM**
In this presentation, we explore how magic tricks really work. This program investigates the science behind the “magic” of several classic magic tricks. You might learn how to snatch a tablecloth without disturbing the items on top, make a balloon fireproof, and use electromagnetism to defy gravity. For the grand finale, our educator demonstrates how science can make it safe to lie down on a real bed of nails.

### BACK TO SCHOOL PARTY
**MON. 8/19 @ 4PM**
Summer may be drawing to an end but the fun doesn’t have to! Come to the library for a back to school party filled with minute-to-win-it challenges, crafts, goodies, and more!
