Dear Patrons,

In keeping with our goal to bring you the tools you need to make using the Library efficient and enjoyable, we have recently upgraded our card catalog system. Here are the features:

1) Summary – like reading the back of the book!
2) About the Author
3) More by “the author” – enjoy a particular author? See what else he/she has written.
4) Look Inside – still not sure you will enjoy the book after reading the summary? Read a longer excerpt here.
5) Series – a list of all the books in a series (when applicable) with a summary and a link to check availability. Don’t forget to click on “See Full Series” for a complete listing.
6) “See Full Series” – lists a series in order of publishing date. Books that are in grayscale are not available at the library. See a librarian to request an Inter-Library Loan.
7) You May Also Like – suggestions of other titles by the same author, as well as similar titles by other authors. Be sure to click on “See More Great Recommendations” for a full listing.
8) Professional Reviews – see what the pros have to say about this book. Be sure to click on “See All Professional Reviews” for a complete list.
9) Tags – want to discover other titles with similar themes? Browse the tags, but be sure to allow yourself plenty of time! This can take you on an epic quest through our holdings!
10) Book Profile – a list of book characters with attributes, genres, topics, setting, and time period
11) Awards – a list of accolades

Please note that not all books have all these features. We encourage you to look up a few titles and see where your quest takes you! (Hint: try Evanovich, Janet – Explosive Eighteen for a sample title with all the above features.)

Want to reserve a title of interest? Simply log in and create a reserve from within the catalog! Not sure how to log in? Ask a librarian to help get you set up.

While you are exploring the catalog, check out the “Overdrive” tab next to the “Catalog” tab. Here you can see if the book you are looking for is available on Libby or Overdrive. Not sure what that is? Ask a librarian for details!

Stay tuned for Library Tech Info events in March!

All our best,
Janice Wiers, Library Director
Heather Lindsay, Youth Librarian/Assistant Director
"LIBRARIANS HAVE ALWAYS BEEN AMONG THE MOST THOUGHTFUL AND HELPFUL PEOPLE. THEY ARE TEACHERS WITHOUT A CLASSROOM."

-Willard Scott-

THANK YOU FRIENDS OF THE LIBRARY!

Have you heard that the library has a new 3D Printer? Well guess what? We have one!

We now have a Dremel 3D40 3D printer, donated by the Friends of M.E.B. We start programming with it this month, on Monday 2/25 at 4:30pm we are hosting an event for youth to teach them about the machine and they'll even be able to design their own souvenir! Registration is required. Stay tuned for more 3D printing programs for all ages! Please feel free to ask us anything about the machine.
