NEW FACES!

You may have noticed this past month that we have two new faces on our staff! Due to some changes in the staff you know and love, and with the increasing Library usage, we needed some extra help at the Library. So, we’ve hired two lovely individuals.

Mary Hall has joined us as a Library Assistant. She comes to us with over twelve years of library experience. Among other duties, Mary will be assisting with your inter-library loan requests.

Katie Coppola, a Brentwood resident, has come on as a Substitute Librarian to assist as needed. In addition to working at the desk, Katie will be bringing her expertise to our programs and events.

Please welcome them next time you see them at the library!

MUSEUM PASS HIGHLIGHT

ABOUT THE SEASHORE TROLLEY MUSEUM: Seashore Trolley Museum proudly continues the legacy of its founders by maintaining and sharing our world-class transit collections and knowledge with you. Their exhibits and guides call attention to the technological, aesthetic, and historically significant characteristics of our collections. Their Main Campus is at 195 Log Cabin Road, Kennebunkport, Maine 04046.

ABOUT THE PASS: The Friends of M.E.B. have purchased five trial passes that allow the user full day access for FREE, for up to 2 adults and 3 kids. As this is a trial, we are asking that those who borrow the pass complete a survey of their experience to see if we should purchase a full set of passes for the coming year. Act fast before the five trial passes are gone!

REARRANGING!

There have been a lot of changes going on at the Library. You may notice this month that we will be rearranging the Teen Section. We are re-defining our teen space which will give teens a place of their own. Some parts of the Junior Section will also be changing. A new staff work space will be added for the Youth Librarian. This will help Heather to be more accessible to our young patrons and families.

Stay tuned for updates as progress is made!
