The Summer Reading Program was a success, even though it was very different this year! We had 70 registered readers, and almost 2,000 hours of reading were logged! Prizes have been flying out the door, going home with very excited children, teens, and adults. Congratulations to all our readers!!

I would like to take a moment to thank:

• The Friends of the MEB Library who funded our Summer prizes, programs, and supplies!
• Meadow's Mirth and Brew Cafe for donating gift cards!
• Sue Mayo for donating her raffle tickets to children participating in challenges!
• The staff of the MEB library for jumping in to help Heather whenever it was needed!
• Heather, the mastermind behind it all - for adapting to the conditions of COVID-19 in preparing a fantastic Summer Reading Program - one that will go down in history for sure! She thought outside the box from the beginning, put in a great many hours, and reassessed mid-way through the summer, resulting in some extra programs added for patrons who requested such.
